

## COMPANY / CAPABILITY OVERVIEW

Established since 1989, WATMAR are Fluid System Engineering Specialists, delivering industrial Projects, Products and Services.

Over the past 3 decades we have built a complete range of internal capabilities and knowledgeable team of experts.

We take a dynamic and flexible approach to our work which allows us to surpass the expectations of customers throughout the Asia-Pacific Region.

## ENGINEERING SERVICES

- Equipment manufacture
- Welding & fabrication
- Equipment refurbishment
- Surface preparation & coatings
- System performance testing
- Installation & commissioning
- Electrical services
- NATA Testing & calibration

## SYSTEMS & EQUIPMENT

- Pumping systems
- Desalination systems
- Water treatment
- Filtration
- Separators & purifiers
- Lubrication & fuelling
- Heat exchangers
- HVAC & cooling towers

## ENGINEERING CONTRACTING

- Feasibility studies
- Engineering design
- Project management
- Mechanical equipment
- Structural, mechanical & piping
- Non-process infrastructure
- Installation & commissioning
- Electrical & instrumentation

## ASSET MANAGEMENT

- Onsite maintenance services
- Engineering inspections
- System testing
- Equipment certification
- Plant upgrades
- Painting & coatings
- Programmed sustainment
- Shutdown services

## COMPETITIVE DISCRIMINATORS

- High level certifications and defence clearances,
- Multi-disciplined in-house engineering capabilities,
- 30+ years of experience,
- Specialist trained staff, with OEM engineering support,
- Specialise in urgent repairs and tight deadlines,
- Highly developed international supply chain.

## CERTIFICATIONS / ACCREDITATIONS

- ISO 9001:2015 – Quality,
- ISO 17025 - NATA Hydrostatic testing and gauge calibration,
- ISO 14001 – Environmental
- AS 4801 – Safety
- DNVGL Approved Welding
- Electrical Contractor Licence EC13913

## PARTNERS & CUSTOMERS

### CUSTOMERS

- BAE Systems
- ASC
- NSM
- CIVMEC
- Naval Group
- Broadspectrum
- Austal Ships
- Department of Defence
- Water Corporation
- Woodside
- Bhagwan Marine
- BHP
- Rio Tinto
- Hanseatic Marine

### PARTNERSHIPS

- Leistriz
- Taiko Kikai
- Noske Kaiser
- Alfa Laval
- Zehnder Pumpen
- Duramax
- Everblue
- Quantum
- CR Ocean
- CAIME
- Rickmeier
- Vamein Valves
- ERMA First
